Budd,

It's been great fun going to school with you these four years. And in the time, I came to find that you were truly a very nice guy. Even though you don't say much, you can always tell that you're the kind of guy that will do a favor when you need it. I wish you all the luck next year in whatever you may do, & may God give you the strength to succeed in everything you undertake. Be good.

Always,

FOREWORD

In preparing the 1960 Tom Tom, we, the
yearbook staff, have endeavored not only
to review for you the activities and life of
the past school year but also to link its
part with the community. If you, the
reader, find any pleasure in reading these
pages, we shall feel that we have filled
our niche in the ever-growing history of our
school.

P.S.
Hey Bud
why don't you
come out of
shell. You've

DEDICATION

MISS DOROTHY WATTS

Dear Buddy-

It's been swell going to school with you these past 3 years. you're a quiet boy and very nice. I really like you a lot.

Buddy, I want to wish you all the luck happiness in this world of ours.

Sincerely yours
Dorothy
"61"

We fondly dedicate the 1960 Tom Tom to Miss Dorothy Watts who will be leaving Orestimba after thirteen years of faithful service as teacher and advisor. In so doing we want her to know that we deeply appreciate her efforts toward broadening our interest in art and instilling a pride of fine homemaking in many generations of Orestimba's girls. She has promoted our local FHA Chapter to statewide prominence. We will remember her, not only for her accomplishments, but also for her warm heart and keen sense of humor.

ADMINISTRATION

DR. WILLIAM A. GUSTAFSON

DISTRICT SUPERINTENDENT — PRINCIPAL

Every community realizes that its real wealth is in the young people who will finish their schooling, then willingly and effectively take on their new roles as adult members of the community. We at Orestimba have had dramatic proof of this community's regard for its youth in the past year for a complete new high school.

Seniors of "sixty" will not attend that new school, but their fine reputation as a friendly, sincere, and often hardworking group has contributed much to that community interest and support which will provide the new school.

Our job at Orestimba Union High School is to develop the most important single resource or product any community or nation can have-- intelligent and productive citizens. Our faculty is constantly and sincerely striving to improve the educational opportunities available to students.

We have labored for four years with you to this end, and feel confident that the community's resources of human talent will be greatly increased by the graduation of the Class of 1960--the largest class ever to graduate from Orestimba Union High School. May you always remember your good years at Orestimba.

Co-operation is one of the keys of our society; so it has been with our graduating seniors. Education demands harmony and understanding between the school, students and community. With an education based upon co-operation, you will enter a community better equipped for living and prospering. Congratulations to our student body and to a fine senior class.

MR. JOSEPH C. O'LEARY

VICE PRINCIPAL

OUR EXCHANGE STUDENT FERNANDO

Orestimba has extremely enjoyed having Fernando Baccaro for its first exchange student. Fernando is from Paysandu, Uruguay.

At left, he is pictured in the Chemistry lab with Mr. O'Leary, his teacher and advisor. His school program included physical education, English IV, senior problems, driver's education, library, and chemistry. Fernando has participated in many school activities such as Science Club, Spanish Club, C.S.F. Committee, etc. At right, Fernando is intently engaged in one of his many talks to student and community groups. Fernando's host family have been wonderful. Of course by the picture below you recognize them instantly; they are the Harold Densmores.

COMMITTEE

ALMA MATER

Orestimba favors only
The purple and the gold,
While those of other high schools
Their colors dear may hold.
We will stand by our own high school;
Her praises shall be told,
And we will lift our voices
For the purple and the gold.

Through the four long years of high
school

Mid scenes we love so well.
As mystic charms to knowledge
We vainly seek to spell.
As we win athletic victories
Our sportsmanship uphold,
Then we will be remembered
As the purple and the gold.

SPORTS

VARSITY

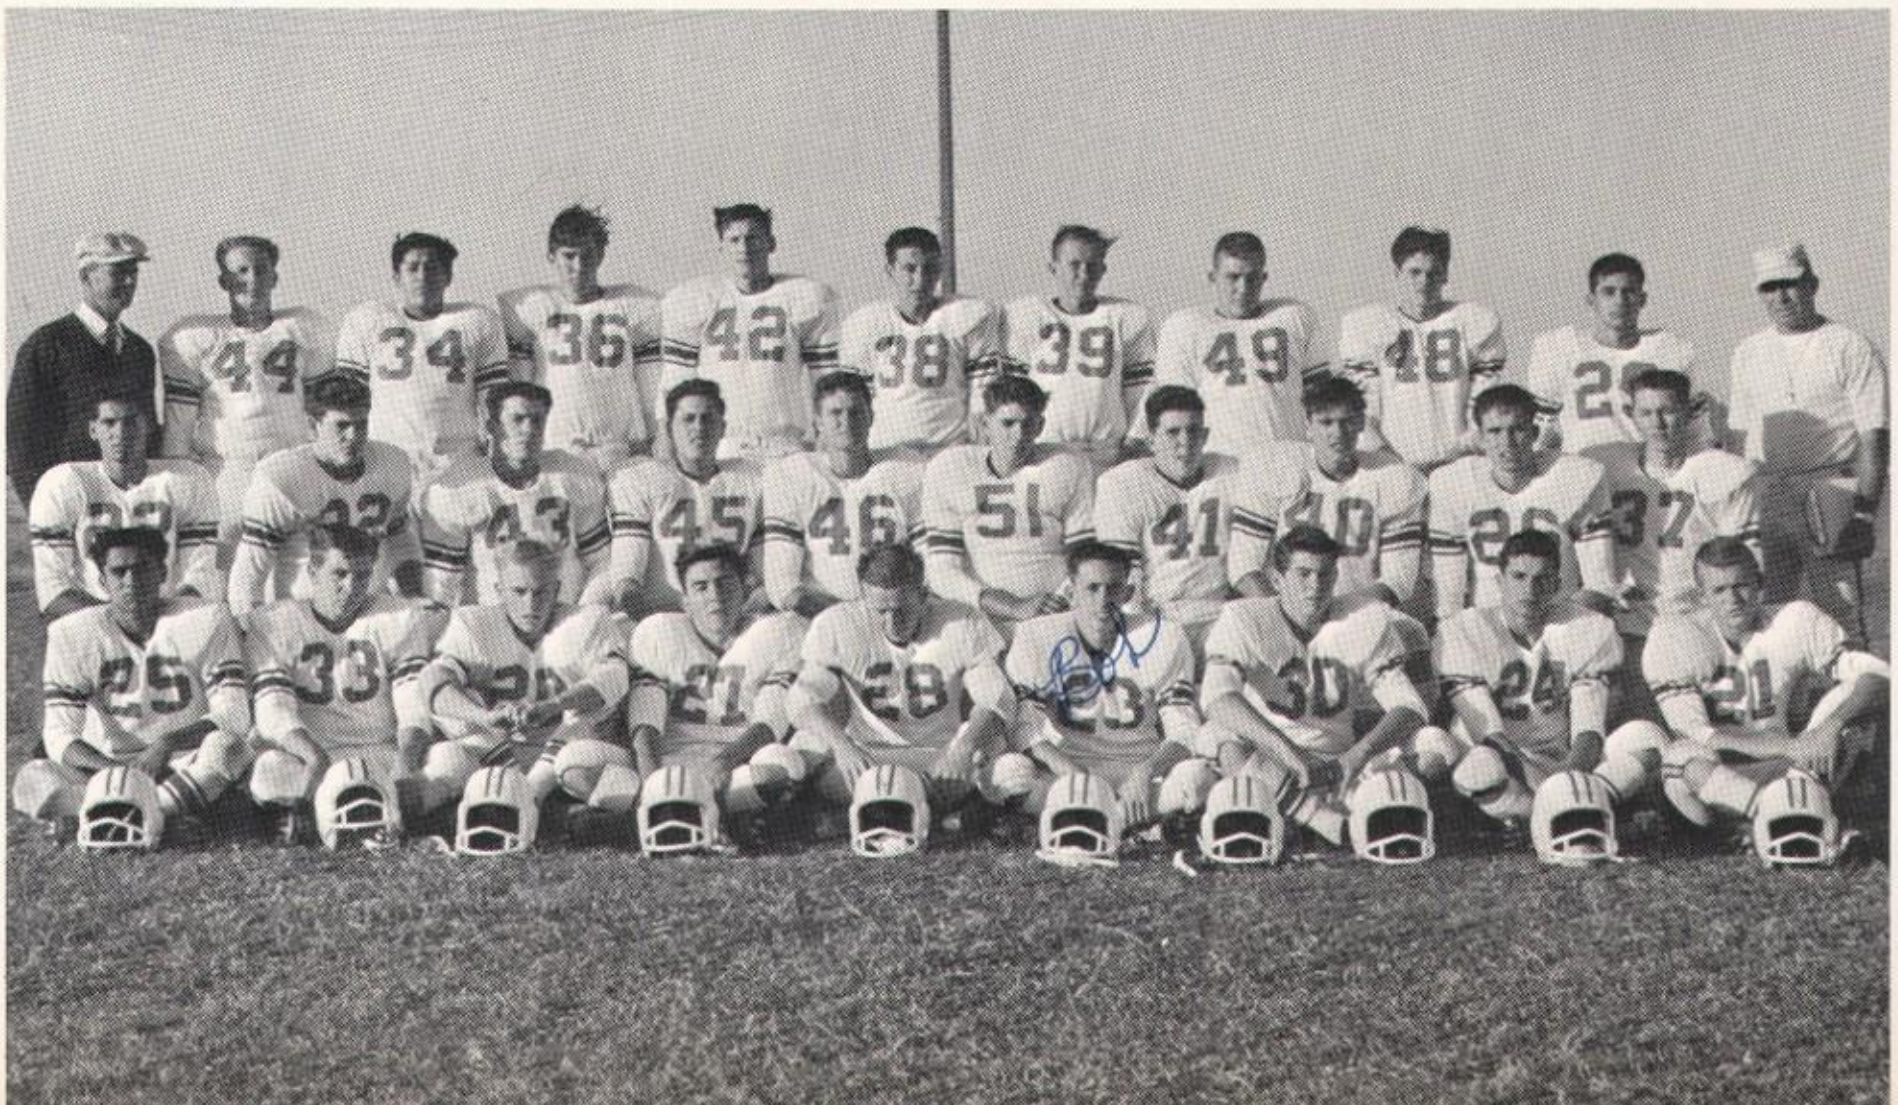

Coaches Brink and Turner, seem quite serious about the instructions being given to Elton before sending him into the game. A look at the score board in the background tells the reason why. The final score was 7-7.

The 59-60 season was a thriller this year. Most of the games were close scores, with the LeGrande game ending in a tie score. That tie game put the Warriors one-half game behind the League Champs, our arch-rivals, Gustine. The only loss during the season was the Gustine game, a bitter one indeed to lose. Our Warriors may not have won the League Championship, but the team and the school is certainly proud of this season.

The football scores for this year are:

Bret Harte	6	Orestimba	13
Calaveras	13	Orestimba	14
El Capitan	13	Orestimba	20
*LeGrande	7	Orestimba	7
*Mariposa	6	Orestimba	34
*Hilmar	12	Orestimba	20
*Denair	6	Orestimba	12
*Gustine	12	Orestimba	7
*Ripon	12	Orestimba	16

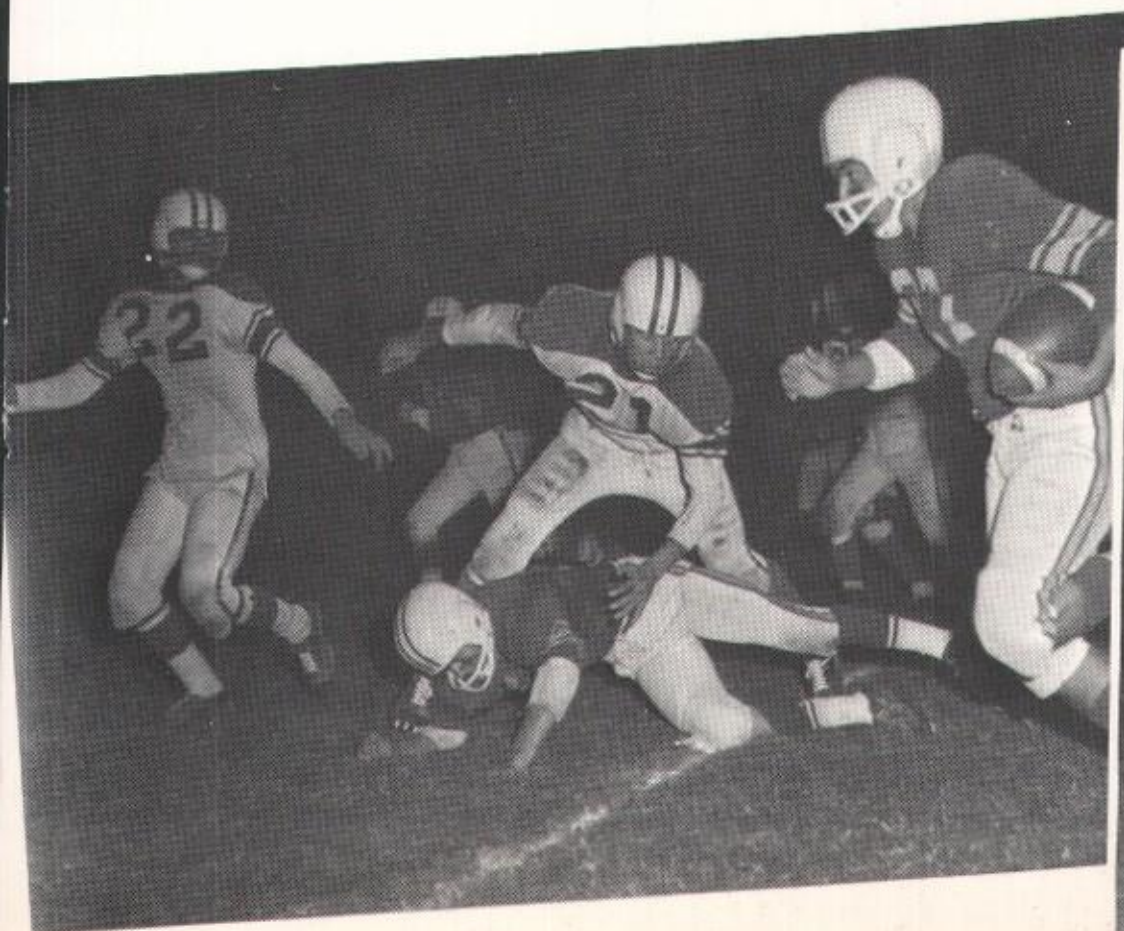

FIRST ROW: Victor Dominguez, Ed Parker, Eric Husman, Dennis Jensen, Tom Nolte, Bob Cornell, Bob Gaddy, Manuel Berberia, Elton Harris; SECOND ROW: Jesse Cota, Melvin Sequeira, Eugene Sequeira, Ayres Lopes, Ervin Kroeker, David Fantazia, Philip Costa, Jerry Avila, John Mitchell, Don Capps; THIRD ROW: Coach Turner, Jerry King, Leonard Luna, Alan Post, Tom Weimer, Dennis Neves, LeRoy O'Connor, Mike Brown, Ken Skaggs, Bill Nunes, Coach Brink.

FOOTBALL

"All League" Football Managers: Ruben Rivas, Bill Terra, Frank Borges; not pictured, Jack Silva.

J. V. FOOTBALL

Orestimba's Junior Varsity had a 2 and 3 record in league play for 1959. They won the Gustine games which is considered the most important game of the year. Many of the J. V. football players showed good potential and will undoubtedly help the varsity in 1960.

FIRST ROW: Dickie Cabral, Larry Doss. SECOND ROW: Larry Cloud, Harry Costa, Dale Schultz, Danny Lopes, Eugene Caranza, Bobby Collins, David Tosta, Johnny Cabral, Merle Davis, Zeke Landeros. THIRD ROW: Coach, Ed Mattos; Paul Anderson, Jimmy Jasper, Eugene Barrington, Phillip Jordan, John Massey, Adam Ortega, Billy Silva, David Brown, Danny Dineen, Bob Morganti.

VARSITY BASKETBALL

Coach McMahon gives the boys a few pointers.

This year's Varsity Basketball team had a fair season, considering that it only had two returning lettermen to start the season. These two boys were Corky Kroeker and Alan Post, who did a fine job all year around. The rest of the team was made up of six players from the 'B' championship team of '59 and three boys who had never played basketball at Orestimba before. The Warriors were handicapped by lack of height but made up for it in speed and aggressiveness. Kroeker and Harris were the top two scorers on the team and were among the top ten in the league.

FIRST ROW: John Mitchell, Alan Post, Elton Harris, Corky Kroeker. SECOND ROW: Byron Bradley, John Bettencourt, Jesse Cota, Manuel Berberia, Donald Avila, Charles Tarpley.

J. V. BASKETBALL

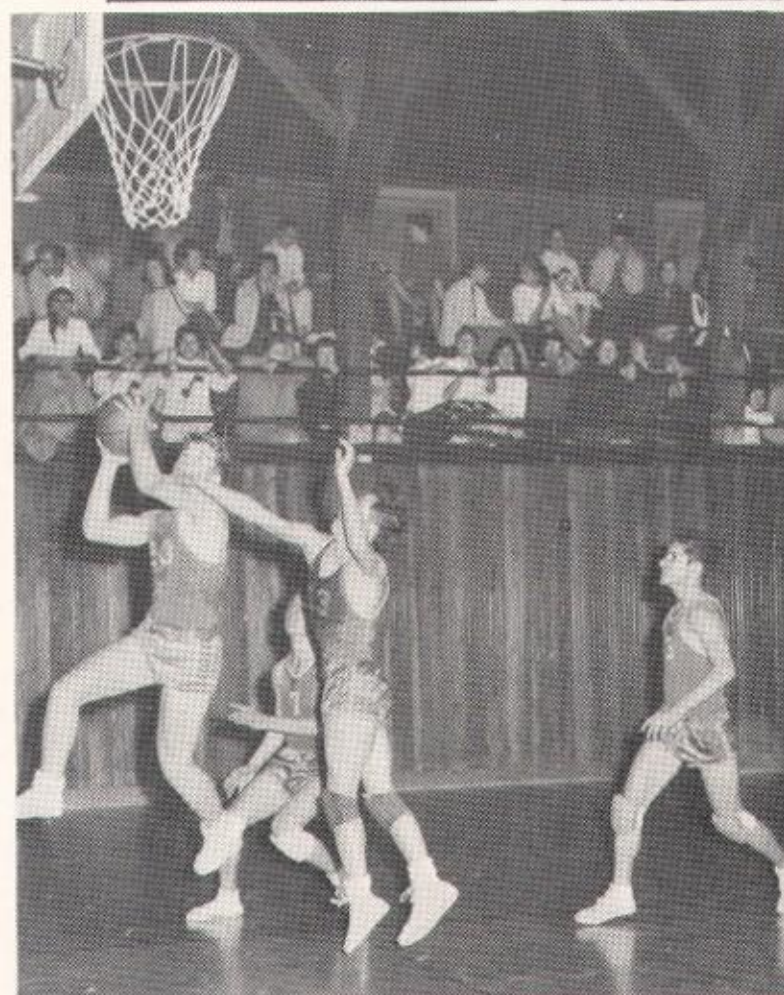

The only team in the league undefeated, the Braves won the Southern League B Championship. These boys won 12 league games, plus five practice games, accumulating a grand total of 27 victories in the 1959 and 1960 season.

The Braves have scored 712 points in league play making their league average points per game 59.3.

These boys all show good promise for our next year's Varsity team.

Buddy-

Well I thought the time would never come, but it ~~has~~ graduation is almost here. You certainly are an understanding person with a sweet personality.

I have grown to like you a real lot. I wish things could have worked out for you with "Mary." But I guess we never get what we want do we. (You know what I mean.)

I'll miss you a real lot, but I'll never forget you.

Bud,
I'm happy for you that you're graduating but why couldn't you have waited until next year. (na.) Seriously though, you are an interesting person and I think we could get to be very good friends if you were going to be around. You, plus a couple more around here (Good Mates) are the only ones who really know the score. Buddy, things may not be going as you would wish them to right now, but I know when you get away from Newman and meet more cool people, like yourself, things are going to swing for you. Although I've said that you, it seems were old friends. Forgive me if by writing this I've seemed to be personal. Always Jerry
P.S. Have a nice time this summer

L. Dinkley -

The very best of luck & a real
well wish I think the world of
you Dink, and I hope you
keep that real good personality
just that same sweet way.

I am sincerely thinking of seeing
you over your little trip
I hope to see a lot of you this
summer. At the dance and
such. Even tho we are finishing
high school I hope to see a lot
of you.

Friendship will become even
closer

I hope I haven't made you
I made in the past. See.

May God Bless you in every little
thing you do.

Don't get too drunk on graduation
night. But come on. A drink
now. I love you & go get it
